OF YORK REGION

Hello Beautiful!

PEACYR Celebrates Elder Abuse Awareness in Style!

On June 27, the members of the Prevention of Elder Abuse Committee of York Region (PEACYR) teamed up with Kingsway Place Retirement Living in Aurora to host Hello Beautiful! The 2019 theme for World Elder Abuse Awareness Day on June 15 was "Fostering an Age of Inclusion". The Committee wanted to do something fun that celebrated social inclusion and reframed the public perception of living with frailty. With great engagement from across the community and health and social care sectors, the evening turned out to be a hit! In the beautiful setting of Kingsway Place, guests were treated to a delightful early evening while raising funds to support local initiative for elder abuse prevention. The audience cheered with delight when the older adult, decked out in styles and products for independent living, took the stage with tunes and M.C. by Javed Khan and photography by [Molly Steels Photography](#). The event built on the theme of inclusion through intergenerational engagement. Cadet Adrian upped the glam factor much to the delight of both the models and audience. Thank you to everyone who volunteered time and resources and came out to support this event!

Host and Main Sponsor: Kingsway Place, Aurora, Ontario, a division of Fieldgate Retirement Living.

Others have generously donated in various ways. We acknowledge their generosity, listed in the [Hello Beautiful Program](#).
